The Snow is here!

Dear Candie,

We wish all of you a Merry Christmas and a Happy New Year from all of us here at New Horizons RV Corp.

We got our second snow fall of the year. This one a little more significant than the first one we had in October.

We enjoyed our company Christmas party on Friday, Dec. 20th. It was nice to visit and enjoy the company of our co-workers and their spouses.

Merry Christmas &
Happy New Year!!!

Season's Greetings

As I reflect on this season in which we celebrate the birth of Jesus, I am filled with great joy for many reasons. I hope this time of the year is filled with that sense of joy for you as well-even if you are not celebrating His birth. It is a time when we anticipate gathering with family, eating favorite foods (Karen's famous Carrot Cake recipe is included in this newsletter) and giving to others that we care about.

Our family will all be together for Christmas Eve. Karen and I are both so blessed to have our three kids and their spouses close by. I have been accused of having Drew and Cole work at New Horizons just to keep them close. While that was not the reason I hired them, it certainly is an added bonus. We have the added

excitement of two new baby granddaughters to go with our four grandsons, so we will have a house full.

Karen has such a passion for decorating for the Season, and has a real touch for making our home beautiful for the Holidays. She even decorated our New Horizons show

Karen, Phil, Shellee, Cambell, Drew, Cole & Janie Brokenicky

model which is in Palm Springs for the winter before its new owners take possession in March.

Please know that I consider one of our blessings, the great friendships we have made, and continue to make through building your custom RV's. Our business is excellent which makes it easier for me to relax and enjoy this time of year. Thank you all.

May God richly Bless each of you.

Phil
