The Rally – Syracuse, NY

The debut of our 2014 Majestic at the Syracuse, NY show was a huge hit. Some of the comments Phil heard were: “This is the most beautiful RV I’ve ever been in”, “The leather furniture seating is incredible”, “I can’t believe the quality I’m seeing in your fifth wheel”. Phil made the statement that a number of people said, “You must have a woman designer”. His response was, “No, we have hundreds of them because we listen to the needs and desires of our customers.”
