2017

August

Greetings from our crew at New Horizons! The weather has cooled off a little and we are enjoying it immensely. This past month has been extremely busy with customer pick ups and orders! We've had a couple visits from TV crews and right now we are getting ready for America's Largest RV Show in Hershey, PA. We hope to see you there!

America's Largest RV Show Hershey, PA

We are excited to show off our newly designed 2018 Summit Show Model this year at America's

Largest RV Show in Hershey, PA. We have made some great changes (lower price, less weight, shorter overall height, etc.) while still keeping the quality you expect in a New Horizons. Stop in and see what the buzz is all about!

We will be located at site A-9 just in from of the Acadia St. ticket sales location. If you'd like to schedule a personal meeting with one of our product specialists to start planning your dream RV give us a call at 1-800-235-3140. We look forward to making your dreams a reality!

Full-Time RVing

We have had great reviews from [Trailer Life](#) Magazine with both our Majestic and Summit models. The October issue of *Trailer Life* will be hitting the news stands in the next couple of weeks. Look for [New Horizons](#) in a feature article about full-time RVing!

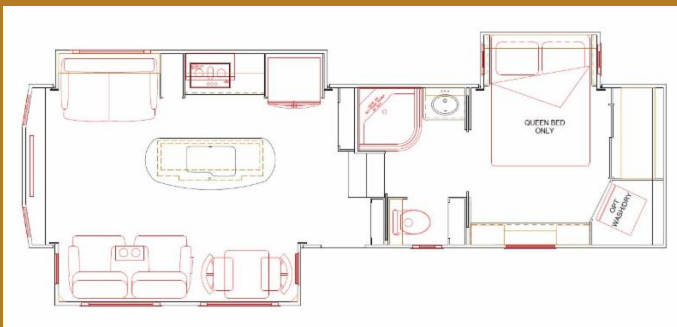

32' Summit

You've been asking for a smaller unit...It's here!

We have designed a 32' Summit for those of you asking for

something lighter and smaller. We've already had our first order for one so we'll be updating you with pictures throughout the build process on our [Facebook](#) page, stay tuned. If you want to order a new rig or have any questions, please give us a call at 1-800-235-3140.

With new orders, come trade-ins. Although we'd love to get you into a custom New Horizons, sometimes the next best thing is a used one. We have taken in quite a few trades in the last couple weeks. Take a look at our inventory on our website www.HorizonsRV.com and give us a call at 1-800-235-3140 for more information.

Keep in mind...we do take trades when ordering a new New Horizons!

Rollin' On TV

We announced in our last newsletter that Rollin' On TV was here to video us for an upcoming TV show. Cole has done a great job expressing what we do here at New Horizons RV. [Click here](#) to watch video.
